TOUR TO KOSOVO

Including visit to Grachanica monastery, Pristina and Prizren

Full day

Tour Code 115

Already in Skopje, but you want to see more!

Kosovo is less than 20 km away from Skopje. Would you like to have a one day visit to this, so called, the youngest European state? To get know about its history and sights founded there.

To visit Prizren, the most beautiful town in Kosovo.

We will pick you up from any place in Skopje. After half an hour drive you will arrive at the border.

Do not forget to have your passport with you.

First sight to be visited is the Serbian Orthodox monastery Grachanica.

This monastery of the Serbian Orthodox Church is dedicated to the Assumption of Holy Virgin Mary, and it was built in 1321 by Serbian king Stefan Uroš II Milutin. Richly decorated with XIV and XVI century frescoes, the monastery is a rare gem of Serbian medieval art and architecture.

Arrival in Pristina and walking tour in the city center. Visit to Kosovo museum (inside)

Afternoon drive towards the picturesque town of Prizren. This town was mentioned as Therranda at the Roman times. Today, the most interesting part is its old bazaar, with a lot of Muslim and Christian monuments, churches and mosques.

Visits inside are possible (entrance fees may apply, to be paid on the spot)

After a refreshing break as some traditional coffee shop, drive back to Skopje via the picturesque mountain road at Shara NP (subject of road and weather conditions)

This tour is offered also with Scheduled departure dates and fixed price.
